Dear Friends of Frederick Gymnastics Club,

For over 35 years, Frederick Gymnastics Club has been dedicated to fostering a love of health and exercise. The Frederick Gymnastics Boosters Organization works directly with the Frederick Gymnastics Club team members to help provide an environment where gymnastics is affordable for all. It is through the financial support of our private and corporate sponsors that we are able to continue to offer the opportunity for success to our gymnasts.

Currently, the Frederick Gymnastics Club (FGC) Competitive Team Program, overseen by owner Pam Mulhern and supported by the Frederick Gymnastics Boosters, trains over 100 members. Our gymnasts range from ages five to eighteen years old and we participate in USAG programs, from Junior Olympic training team to level 10 and Xcel Bronze to Diamond. In recent years our teams have earned over 560 State, Regional, National Individual and Team Championships.

Each year, The Frederick Gymnastics Boosters hosts the only USAG Sanctioned gymnastics meet in Washington, D.C. which attracts competitors from all over the country. Our next meet is scheduled for February 7, 8 & 9, 2020 from 9am to 10pm daily at the Walter E. Washington Convention Center, 801 Mt. Vernon Place, NW Washington, D.C 20001.

In addition to our competitive teams, our 18,000 square-foot facility supports daily recreational classes and open gym events, which brings in hundreds of families each session.

The Frederick Boosters Club is a registered non-Profit 501(c)3 organization and any funds that we raise through fundraiser events and sponsorships directly support our gymnasts to defray the cost of meet fee's, competitive apparel, gymnastic equipment and to support our coaches when traveling as they keep our girls safe. We are grateful for what our organization has been able to achieve over the years with the support of sponsors just like you.

Thank you for considering a sponsorship with Frederick Gymnastics Boosters Organization.
